

October 20, 2024

Dear New England Paint Horse Club Members:

We are writing to let you know we have completed the 2024 evaluation of the New England Paint Horse Club.

APHA Regional Clubs are governed by Article VII of the APHA Rule Book. This section addresses information which must be submitted to APHA annually to maintain a club charter and hold APHA supported events. All clubs are subject to an assessment every three years. Thank you for submitting information necessary to complete our club compliance review. The APHA has provided an online form at <https://apha.com/clubs/club-essentials/your-club-charter/maintain-your-charter/> to provide all required documents by March 1.

The Regional Club Advisory Committee wishes you success and sustainability. If there is anything regarding this review you would like to discuss in detail, please let us know. Please share these results with your board and club members.

Below is a summary of feedback for your club's consideration from the reviewer.

- Congratulations on a great review!

*Tim Snapp*

Regional Club Advisory Committee Chair
