

Hello!

It is crazy to think that it is already February! But we all know what that means, Show Season is just around the corner and The New England Paint Horse Youth Club could not be more excited for this year! We just wanted to bring you a little update with what we have going on thus far and some awesome events that we are planning to host!

First and foremost, we wanted to introduce and congratulate our 2021 Executive Board. A big congratulations to these five awesome individuals, we look forward to seeing all of the great events everyone comes up with and all you accomplish!

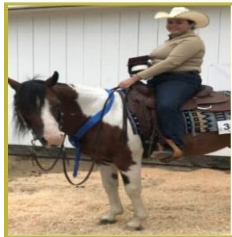

Hello All! I'm Rebecca Williams and I'm excited to be re-elected as your 2021 New England Paint Horse Youth Club President! I love showing my horse Itz All In The Moves AKA Seger and our favorite class is Equitation. I also have the pleasure of being an AJPMA National Director and participating in the AJPMA Game Changers program. I am really looking forward to working with my fellow officers and members of NEPHYC to make 2021 another great year for the club!

Hi! I am Angelica, your new NEPHYC Vice President. I live in Saugus and I have shown my horse Gus for the past three years. Our favorite class together is Hunter Under Saddle. I am so excited to work with my fellow officers and club members to grow our club.

Hello, I'm Nevaeh Smeeton-Cormier. I'm 14 and I am a freshman. I show "Hot For An Invite" AKA Dallas in the all around youth events. I'm the new treasurer for NEPHYC! This is my fourth year showing with NEPHYC. I am so happy to be able to be an officer! I look forward to the coming year and working with our parent club and gaining more friends through our youth club!

Hi, my name is Morgan Duhon. I am your 2021 NEPHYC Secretary. I am 13 years old and this will be my third year as a Paint member. I was a National Director last year and am running again. I own two paints. A solid bred and a regular. MT Party Barbie (Butter) I will be showing this upcoming show year. I also will be showing Dunt N Style (Jack)

Hi! I am Samantha Wasylak and I will be the 2021 NEPHYC Reporter. I am going to be sixteen years old, and have been showing with the New England Paint Horse Club since 2014. I show the Reining and Ranch events with my paint horse. I also show the all around on the Quarter Horse circuit and attend some Morgan shows where I show a Western Morgan as well. I really enjoy the atmosphere at the paint shows and happy to be working with fellow youth members this year! As Reporter I am looking forward to being able to work with all the youth members to help grow our club. I am especially excited about sharing our involvement in many different horse and non-horse related events not only this year, but for years to come! I look forward to an amazing and hopefully COVID Free 2021 Show Season!

A quick message from the president:

Happy New Year Everyone!

I am Rebecca Williams, your 2021 NEPHYC President. I am thrilled to continue with the youth club's journey. This year is going to be a big year for us! It was hard with Covid-19 restrictions last year, as we could not do all the events we planned. We are hoping that this year we can expand more and get our club promoted. This show season we hope to have fun games and activities for everyone to participate in! If anyone has any ideas or suggestions, message me! I'm always available and enjoy the input!

NEPHYC hopes to see all of our members new and existing at the horse shows this year! In case you haven't gotten a chance to put them on the calendar yet here they are!

- May 29-30, 2021 – Yankee Union, Cobleskill New York
- July 24-25, 2021 – Paints in the Pines, Deerfield New Hampshire
- August 14-15, 2021 – Summa in the Hamptons, North Hampton Massachusetts
- September 11-12, 2021 – Showdown in Skowtown, Skowhegan Maine

We have started planning events for our 2021 show season in hopes of having a fun filled COVID-19 free show season! For our first show of the year which will be the Yankee Union in Cobleskill we are planning to host a Candy swap. For this event we ask that you bring a bag of prewrapped candy and a bowl to put it in so that you can easily share with your fellow members participating in this event! We ask that if your candy contains any common allergens (i.e., peanuts, tree nuts, milk) that you please write an allergy label and put that with your candy. We will provide bags for you to take candy home with you.

Another event that will be held by the NEPHYC is a Community Service day at Serenity Farm, owned by Anne Jennings and located in East Falmouth Massachusetts. This day will be taking place on February 20th, 2021. Please contact Angelica Zizza for more information or if you are interested in joining us at this event and donating some of your time to help out a great cause!

We are super happy to announce that NEPHYC was given the honor of being AjPHA's Club of the year in 2020, as well as earning the From the Heart Award. We want to thank everyone who had a part in getting us these awesome awards that are definitely going to help our club grow!

Are you interested in learning how the judges judge your horse or more about conformation? Contact Jen Duhon one of our great advisors for more information on how you can be apart of the judging competition that is going to be held this year!

Please feel free to reach out to any advisor or Executive Board member if you have any questions or would like to take part in any events that will be happening within our club! Hope to see everyone at the shows this year!
